Pattaya, Huay Yai, Thailand

Reference: 8237

฿28,900,000

4 Bedrooms	5 Bathrooms	Villa

Property Description

D-Space Pattaya 2 is a premium house and villa project situated in Huai Yai, Pattaya. Completed in June 2023, this modern residential development consists of just 9 exclusive units, offering a blend of contemporary design and privacy. This project focuses on optimizing space and integrating nature into everyday living.

The design of D-Space Pattaya 2 draws inspiration from modern architecture, with clean lines and an emphasis on spaciousness. Large windows and an open-plan layout create a seamless connection between the home’s interiors and the lush green surroundings. A striking feature of the homes is the grand hall, with a ceiling height of over six meters, allowing for panoramic garden views from almost every angle.

Comfort and Privacy
Privacy and ventilation have been prioritized, ensuring each home enjoys optimal airflow. The project is also situated in a flood-free zone, providing peace of mind for residents, especially during the rainy season. The location offers convenient access to major tourist attractions and transport routes, making it ideal for modern living.

Home Features
Each residence in D-Space Pattaya 2 boasts 4 bedrooms, 5 bathrooms, 2 kitchens (a European-style kitchen and a Thai kitchen), and a versatile multipurpose room. The homes are fully furnished with both built-in and loose furniture, and feature a well-designed dining area with a pantry, perfect for entertaining.

Additional Amenities
A spacious saltwater swimming pool, over 10 meters long, equipped with a jacuzzi system.
Energy-saving solar cell technology.
Electric vehicle (EV) charging capability with pre-installed connection points.
Underground electrical wiring, ensuring clean, pole-free surroundings.
Water tanks, pumps, and a filtration system are included for convenience.
Smart Living
Each home is equipped with a home automation system, controllable via a mobile app for added convenience. Security is enhanced with CCTV cameras installed both inside the homes and throughout the project.
