Property Description

With previous sustainable design know-how and a mission to become one of Thailand’s most environmentally responsible developers, ECO resort builds on this promise with “Passive Design” and “Green Building” elements carefully integrated throughout.

Eco Resort have 2 Buildings with total 262 units.

Is a modern condo with ECO design features that help lower energy costs, promote a comfortable/clean living environment and reduce the impact on the environment. Step into a fresh and inspired lifestyle in one of the very few ECO-Friendly condos in Thailand.

FIND YOUR ESCAPE, INVEST YOUR LIFESTYLE extends all the way to our interior design approach. Each unit is created to be a sanctuary evoking the tranquility of building’s surroundings. Luxurious finishes and attention to detail can be found in every space. Rich textures provide an earthy feel throughout the interiors. Spa style bathrooms with premium spa bathtubs and massage showers beckon you to relax, air purifiers clean your living environment and a fully integrated smart system adds sophistication and convenience. After all, this is your home, your escape, your lifestyle.
